

Warm summer greetings!

The Montevideo Area Chamber of Commerce along with our members, Board of Directors, Committees and friends welcomes you to Montevideo!

Filled with abundant natural beauty, charming historic treasures and nestled in the scenic Minnesota River Valley, we are committed to providing a safe and pleasant place to live, work, shop and play! From local activities and exciting attractions to regional events and places to explore...we know you'll enjoy your stay in our neighborly city and we hope you'll take advantage of all that Montevideo has to offer!

While you are here, be sure to tour the Historic Chippewa Village, the Milwaukee Road Heritage Center and the Camp Release monument. Stop in and browse the stores, shops and boutiques for some retail therapy. After you've picked up your newest treasure, grab a bite to eat...we serve some of the best food around. In addition, Talking Waters Brewery offers an amazing sampling of local craft beers or stroll Main Street to find the Jose Artigas statue and numerous displays of art. Stop in for an ice cream treat at the novelty outdoor Art's Dairy Freeze before visiting our parks or playgrounds. Looking for some physical activity? Play a game of disc golf in one of our parks, swim a few laps or try out the slide at the outdoor pool, or play a round of golf...the grounds of our 18-hole golf course are spectacular! If relaxation is your goal, take a leisurely drive and soak in the breathtaking natural beauty of Lac qui Parle Lake before heading back to the baseball game! The possibilities for adventure in Montevideo are endless!

Wishing you a delightful visit to our city...stop back anytime!

Angel Molden, Executive Director
